

Joining Our School

There is a co-ordinated admissions process in Oxfordshire. This means you can apply for a place for your child at Chadlington Primary School by using the application available at the end of the booklet provided by Oxfordshire County Council or from their website on www.oxfordshire.gov.uk. This application form is known as the CAF (Primary).

The booklets are distributed in September direct to parents from Oxfordshire County Council. If you do not receive one and would like one, please contact the Administrations Team, Children's Services, Oxfordshire County Council on 01865 815175.

You may apply for a place at our school whether or not you live in the Chadlington catchment area. In fact, we do have a number of children travelling in from other areas.

At Chadlington Primary School we have a Foundation (Reception) Stage Class within our school. All children start school in the September of the academic year in which they turn five. Children are normally invited to visit school for a morning in the summer before they start school.

Parents are warmly welcomed to visit the school. Appointments may be made through the School Office.
