

School closure in the event of bad weather

During the winter months it may on occasion be necessary to close the school due to severe weather conditions which might cause hazardous conditions for children. Whilst we will endeavour to keep the school open if at all possible, in the event that that proves impossible, the following are the details of the relevant arrangements for our school, which follow Oxfordshire Education Authority guidelines.

Firstly, we will attempt to put a message on this website giving details of school closure.

Alternatively, please listen to the school's information desk of BBC RADIO OXFORD (95.2FM) and HEART FM (102.6 or 97.4FM) or FM107.9 or JACK FM 106.8 FM as early as possible for broadcast. If Chadlington School is not mentioned when the broadcaster reads the list of schools closed, keep listening, as the list is constantly being updated, but you should know by 8.30 am at the latest.

If, during the school day, weather conditions cause any of the above problems, we may decide to close the school early. In this eventuality, we will contact you by phone explaining the situation, by text message if you are registered for parentmail.
